## EVENT MANAGEMENT COMMUNICATION LTD

EMC delivers real-time solutions for exhibitor management and visitor services worldwide. With our online **emsystem**, we offer a complete event management service, customized and branded, backed by integrated order processing and efficient support for your global operations. Our neutral status and extensive experience over six years make us a unique focus for the events industry - no other show management service company offers what we do.

### Our services

**emsystem** provides secure access to a range of customized services, including online solutions for service kits, marketing, venue and vendor services. It enables all parties to share information, manage their respective operations and exploit promotional opportunities. We currently service more than 100,000 exhibiting companies, support over 500 events and manage online operations for the exhibition industry worldwide. And because we tailor our services, they can be used by shows and customers of all sizes, in all countries, to support a variety of business models.

### Show Management Services

The less time you spend wrestling with logistics, the more you have to focus on sales and marketing. So **emsystem** is designed to increase the revenue potential of your shows, by offering you genuine efficiencies and new business opportunities. **emsystem** ensures that everyone has access to relevant and up-to-date show information. Data is shared easily, orders submitted and paid online, and deadlines can be carefully monitored. Details can be checked from anywhere, anytime, and downloaded to your desktop in seconds.

### Vendor and Building Services

An online exhibitor service kit provides show service providers (including buildings) with an instant audience and fast-track access to exhibitors. Orders are managed and paid online, saving administration costs and maximizing efficiency for both vendor and exhibitor - further efficiency can be achieved by integrating emsystem with your back office.

With **emsystem**, our customers consistently reach more than 90% of exhibitors, receive up to 80% of exhibitor service orders online, and many benefit from growth in turnover of more than 20% per year.
